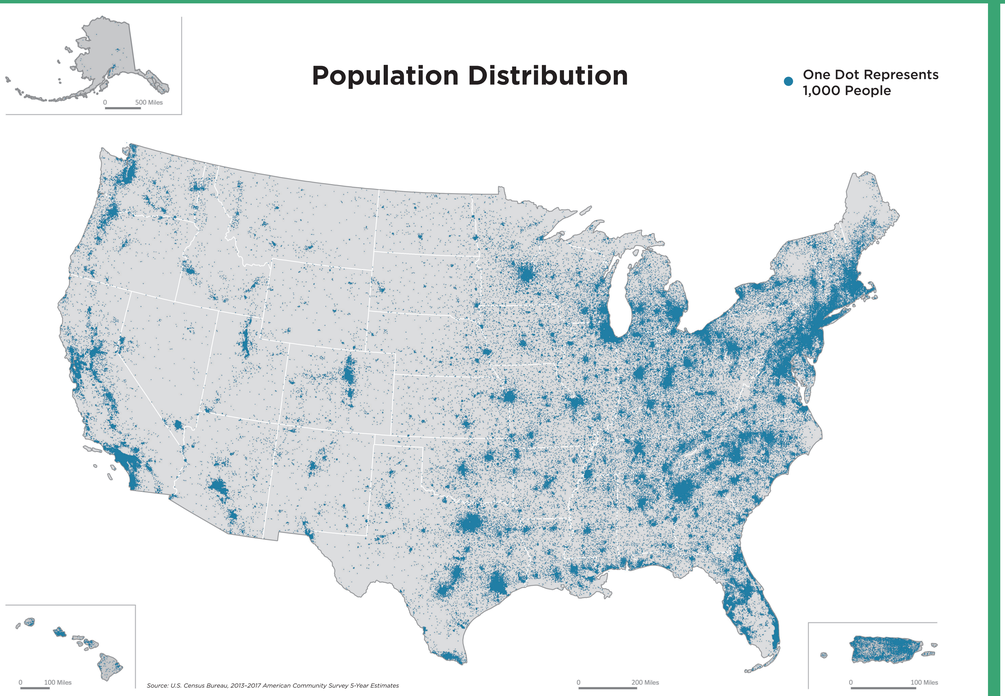
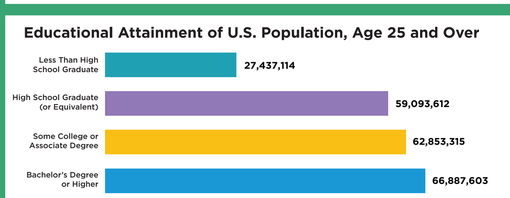
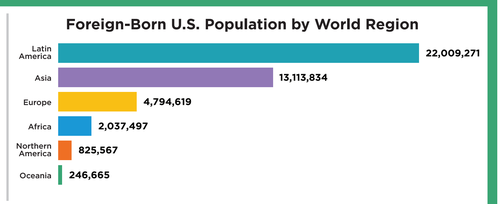
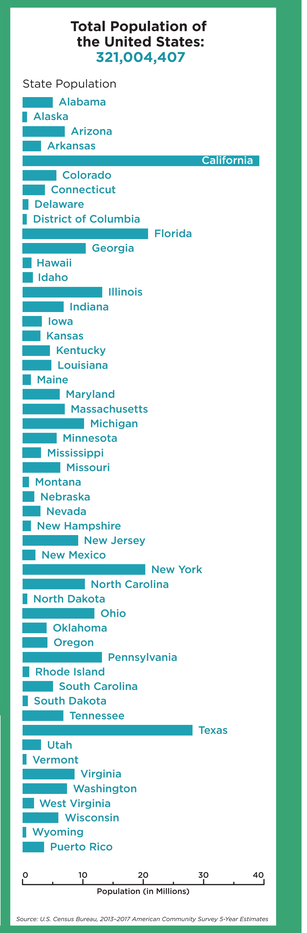
WHERE WE LIVE AND WHO WE ARE





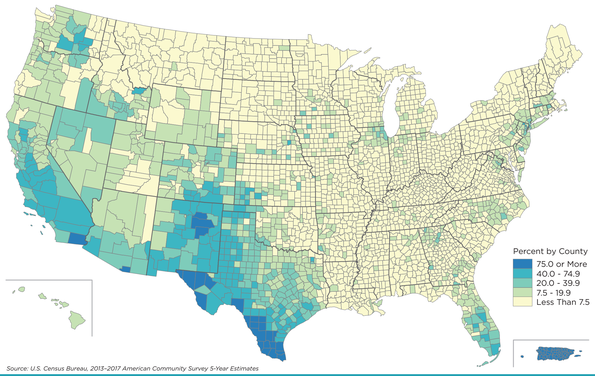


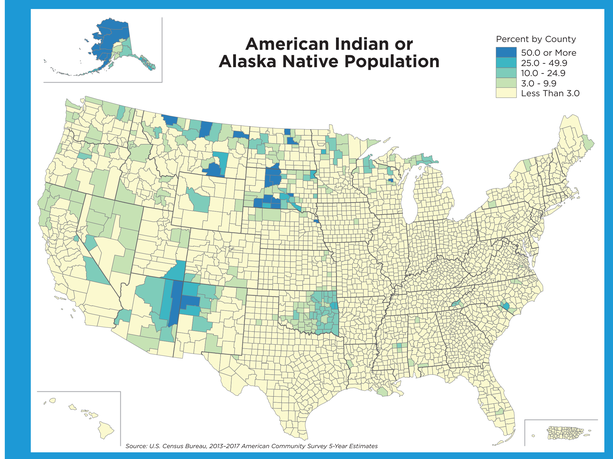


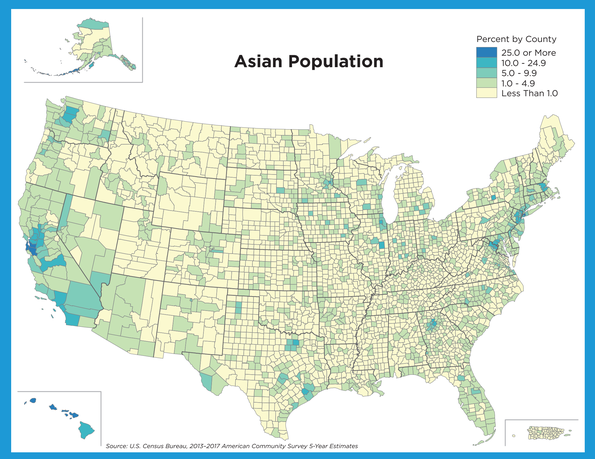
POPULATION BY AGE AND SEX

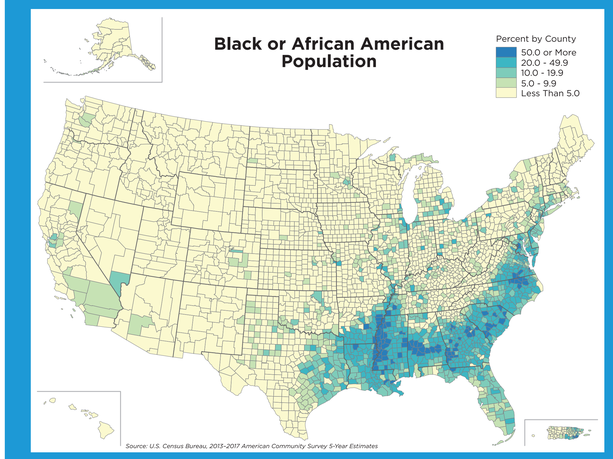
HISPANIC OR LATINO POPULATION

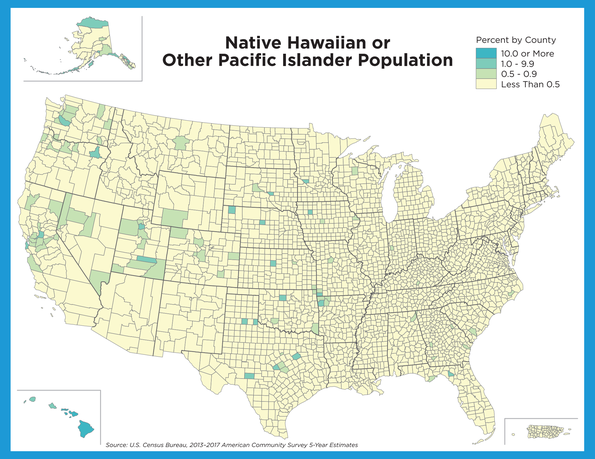
Hispanics, who may be of any race, trace their roots to many places. These include Puerto Rico, Cuba, the Dominican Republic, Mexico, Spanish-speaking countries in South and Central America, and Spain.

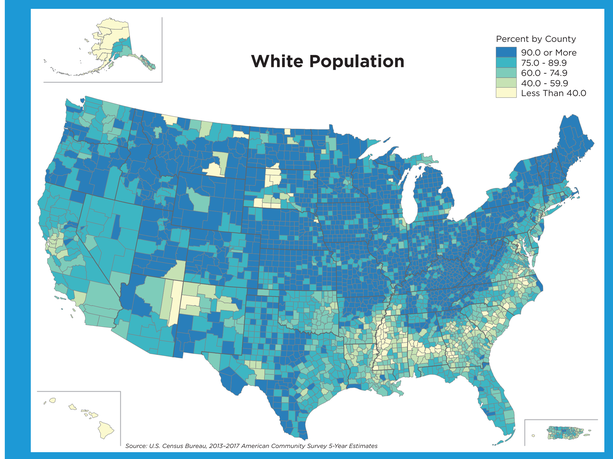


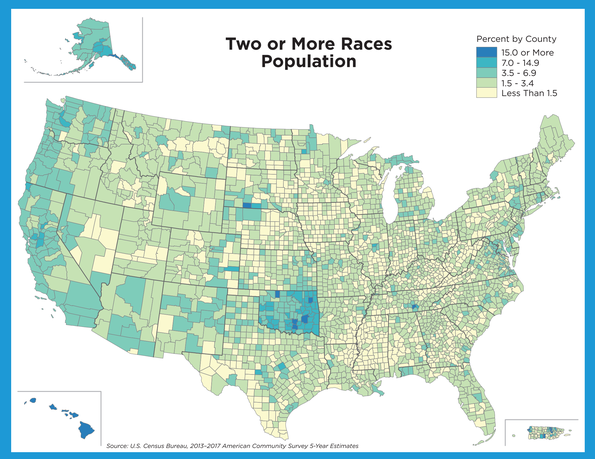
RACE












People may self-identify with one or more races. The maps below illustrate the diversity of the U.S. population for single-race groups and the multiple-race population.
